

NEPAL DIRECT
HUMAN EMPOWERMENT

AN AUSTRIAN-NEPALI COOPERATION MEANT TO EMPOWER PEOPLE TO LIVE A LIFE IN DIGNITY

WATER
SANITATION
HYGIENE
WOMEN'S RIGHTS

INFRASTRUCTURAL
MODEL PROJECTS
& EDUCATIONAL
PROGRAMMES

NEPAL DIRECT MEP
MENSTRUATION
EDUCATION
PROGRAMME

Nepal Direct's approach is based on empowerment of people and initiatives in Nepal, which are by themselves motivated to truly have a positive impact on their society. They are aware of the reasons for the taboos and also of the many effects they have in daily life, and they are willing to use a wide range of educational and interactive approaches to carefully lift the living conditions of whole communities, e.g. in Menstruation Education Programme in Far West Nepal.
